

Dustball 2007

Adapted from the Beach Boys song "Don't Worry Baby"

I guess I should've kept my mouth shut when Cougar bragged about his rat. But I can't back down now because I pushed the other cats too far..

She makes me come alive, And makes me wanna smile
When she says "Don't worry VERNY", Everything will turn out alright...

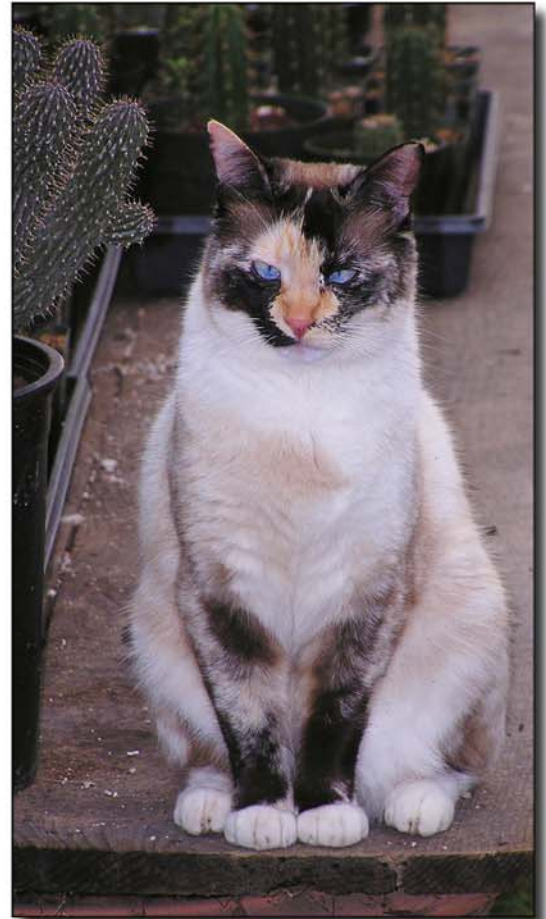

Another heart warming story about life at Cat & Cactus Heaven

Well its been building up inside of me
For oh I don't know how long, I don't know why
but I keep thinking something's bound to go wrong

But she looks in my eyes, and makes me realize
and I say "Don't worry Dustball"
Everything will turn out alright

Don't worry Dustball
Everything will turn out alright

She told me "Verne, when you work today
Just take along my love with you
And if you knew how much I loved you
Verny nothing could go wrong with you"

Oh what she does to me
When she brings leaves to me
And she says "Don't worry VERNY"
Everything will turn out alright

Don't worry VERNY
Everything will turn out alright
