

# Dusty attacks the computer desktop

"Meep! Meep!"  
Dusty said as she  
attacked the plastic  
lizard.

"Lizard! I flip you  
on your back!"

Then she attacked  
the Linksys KVM  
switch.

"Scissors handles!  
I am Dusty and I  
attack you, too!"

"Pooh Bear I attack  
you! I am Dusty!"

"SONY Monitor! I  
am Dusty and I...  
I...oh, never mind."

"Plastic Lizard! I am  
Dusty and I rule  
you!"

"Ah ha! mouse cable!  
I have you in my  
paws! Give up! I am  
Dusty"

"Linksys router I  
topple you!"

"Meep! meep!" little  
Dusty said to Verne.

"Look at me, Dad!  
I rule the computer  
desktop, huh?"

Verne replied "Well  
you toppled the  
router, that's for  
sure. Good Dusty!"
