

Life at Cat & Cactus Heaven

Little Dust Ball was so famous she had her own theme song. Verne sang it to her every once in awhile to remind the young Siamese just how special she truly was.

*"Little Dust Ball, little Dust Ball,
she worked on the Cat & Cactus Farm,
chasing rodents,
ticking Rusty off,
making Verne laugh every day.*

*Oh, Dust Ball, brave Dust ball,
she was faster than the foxy-wox,
scaring hawks off,
eating lizards,
purred by Verne's feet every day."*
