

Cougar's half pounder

(above) Official gopher weigh off proved it was a record 1/2 pounder. Call Guinness!

Cougar celebrated his world record

(above) Cougar dragged the massive gopher onto the deck after a fierce battle to the death. *Raccoony* was relieved that *Cougar* had prevailed unscathed.

(below) **Dustball** had **no idea** that Cougar had captured a Guinness World Record gopher. She was perfectly content to snooze on the shelf next to Verne's computer.
