

Angel Faryn & Weedwacker Pat

The Angel Faryn plucked a foxtail from Dustball's eye!

Rusty led his cats to the promised land of Escalon.

In the 3rd year of the Exodus God sent a plague of foxtails to protect Rusty from the Pharaoh's cats who tried to follow him. Foxtails were everywhere! One became stuck in Dustball's eye until the Lord's **Angel, Faryn**, plucked it out. Rusty prayed to God for help to protect his cats.

Foxtails everywhere! What can I do?

"Please Father, save Dustball and Cougar from the Foxtails. Dustball almost lost her eye...please help us God. Thank you Father."

Long before Rusty, Moses led his people out of Egypt. God protected Moses as he now protected Rusty in his Exodus from The City with His chosen cats.

Rusty! Your prayers were answered! Weedwacker Pat smote the foxtails! The Angel Faryn healed me!

God answered Rusty's prayer! He sent forth from Heaven the great **flaming & roaring** Weedwacker named Pat!

Pat appeared with a mighty roar that sent cats scampering for shelter under the house! Thus it came to pass that the Weedwacker Pat smote all foxtails that might harm the cats. Then Pat rose up into the sky and Rusty saw not one foxtail remained as God had promised. *Rusty knew then he was still His chosen cat.*
