

Raccoony's cat kung foo trainer

Raccoony stuck to Cougar like a child to its mother. One day she meowed *"I love you Cougar!"* But Dustball was jealous. She heard Raccoony meowing to the big tough guy. Dustball mockingly cat meowed *"Cougar has a girlfriend! Nah-nah-nah-nah!"*

Dustball made fun of Cougar because she was jealous.

Cougar hissed *"I'm Raccoony's Cat Kung Foo trainer! She's not my girlfriend!"*

Raccoony reared up to attack Cougar. *"But I love you Cougar!"* she peeped.

Cougar quickly made it abundantly clear to little Raccoony that he was not her boyfriend.

"You are my student, little Raccoony. I am here to teach you how to be a cat. You have much to learn my young kitten learner. The cat force is strong with you little one. But you must master cat kung foo. Your fate is to protect Cat & Cactus Heaven from evil—as we all must do."
